Chief Executive Officer

About the Trust

The Lion Academy Trust was established in 2012 and has grown to run schools in London, Essex and Wellingborough. As a values-driven multi-academy trust, our moral foundations are the basis for the successes we have achieved:

The right to an outstanding education

We believe that all children and students have the right to an outstanding education and access to outstanding facilities. Proven school improvement strategies and resources are deployed to meet local needs.

The relentless pursuit of excellence

Our teams take responsibility to ensure that we deliver “good or better, every day”. Obstacles and barriers are overcome by clear, targeted support that drives the culture of sharing outstanding practice in the relentless pursuit of excellence.

Our pupils are the reason we exist

Outstanding teaching and learning is central to every decision made and every development introduced. The Trust is tightly focused on pupils as our “stakeholders” and as the reason why the Trust and schools exist.

Centrally defined, locally implemented hubs of excellence

Centralised design of pedagogy, policies and strategies are deployed via the three hubs with local relevance retained through transformative practice being implemented and developing communities of practice all working to achieve the same high standards and outcomes.

Investment in teams and practice is key to the transformation of education

At the core of our ethos is the belief that investment in high-quality, bespoke training and development is critical to our continued ability to successfully transform education. This is to enable both staff and pupils to develop as individuals and as professionals in order to achieve excellence.

You will find that as a Trust and education service provider, we pride ourselves on the consistent application of what we can evidence that makes a difference; staff are measured by the impact they create, not the workload they manage. Our drive to make a tangible, positive difference in every community we serve, recognising the contribution and challenges our families can offer and are facing, means that we go beyond context or reasons ‘why not’ - and never lose sight of why we are here: every pupil in our schools.

About the School

At Sybourn Primary school we live, work and learn through our five values:

- **ASPIRATION** – aspiring to be the best that we can be.
- **KINDNESS** – being kind to everybody – our peers, staff and the community.
- **RESPECT** – we listen to one another, we take feedback and we improve.
- **HONESTY** – we always tell the truth.
- **RESPONSIBILITY** - we take responsibility for our actions.

We are a popular and fully inclusive Primary school and serve the community in the East London area. We are committed to playing a leading role in the enhancement of all our pupils and set equally high standards for every member of our team. Every role, in every setting, can and will directly impact on how our pupils thrive during their time with us - we operate as one team, with one common goal - to ensure that we deliver the best possible education for every one of our pupils.

As a school, we benefit from being part of the Lion Academy Trust and deploying the proven systems and pedagogies to inform how we operate. From the highly resilient IT infrastructure to the fully resourced and sequenced curriculum - we proudly function as part of the family of Trust schools and celebrate the opportunities that being part of a high performing trust afford us.

We are looking for an exceptional candidate to become an Early Years Practitioner Assistant at Sybourn Primary school from **September** 2023. If you are ambitious, hardworking and are looking for progression as well as benefiting from research based school improvement then this is the school to further develop your career. We are looking for an individual who is a passionate, committed and a confident practitioner. We want to recruit staff that engage and inspire both pupils and colleagues. Ideal candidates will be resilient, hardworking and willing to go the extra mile to ensure that our provision is 'Good or better, everyday'.

The opportunities, skills, professional development, school improvement understanding and knowledge added to the opportunities for career progression in Lion Academy Trust and the success of the Trust through its approaches and track record mean that candidates can develop into highly successful leaders.

As an employer, we are forward-thinking, caring and, most important of all, a happy school where pupils of all abilities and social backgrounds achieve. Our values are at the heart of everything we do and all decisions we make. Our pupils are well-behaved and always aspire to be “the best versions of themselves”. The Trust believes in no ceilings and staff are promoted and supported on their abilities, merit, effectiveness and commitment to our children, not on hierarchy or length of service.

Thank you for taking the time to complete your application - you will find all the answers to any questions you may have in the supporting documents. Good luck with your application.
